

INTERSPEECH 2022

September 18 – 22, 2022 · Incheon Songdo Convensia, Korea

 **INTERSPEECH 2022**
September 18 - 22 · Incheon Korea

Human and Humanizing Speech Technology

SATELLITE EVENTS

The Organizing Committee will work to facilitate the organization of satellite workshops, to stimulate discussion in research areas related to speech and language, at locations in Asia, and around the same time as INTERSPEECH 2022. We are particularly looking forward to proposals from neighboring countries. If you are interested in organizing a satellite workshop, or would like a planned event to be listed as an official satellite event, please contact the Satellite Workshop Chairs at satellites@interspeech2022.org.

Note that all satellite workshops need to obtain ISCA endorsement. Proposals for the satellite workshops should be submitted to [the ISCA workshop portal](#). A guideline for the submission can be found at [the ISCA web site](#).

IMPORTANT DATES

- **Submission to ISCA workshop portal: As soon as possible**
- **Once ISCA endorsement has been granted, requests for co-registration with INTERSPEECH2022 have to be submitted at satellites@interspeech2022.org by March 31, 2022.**
- **Confirmation as an INTERSPEECH2022 satellite event: by April 15, 2022.**

If you have any questions about whether a potential event would be a good candidate for an INTERSPEECH 2022 satellite workshop feel free to contact the Satellite Workshop Chairs at satellites@interspeech2022.org
